

We invite you!

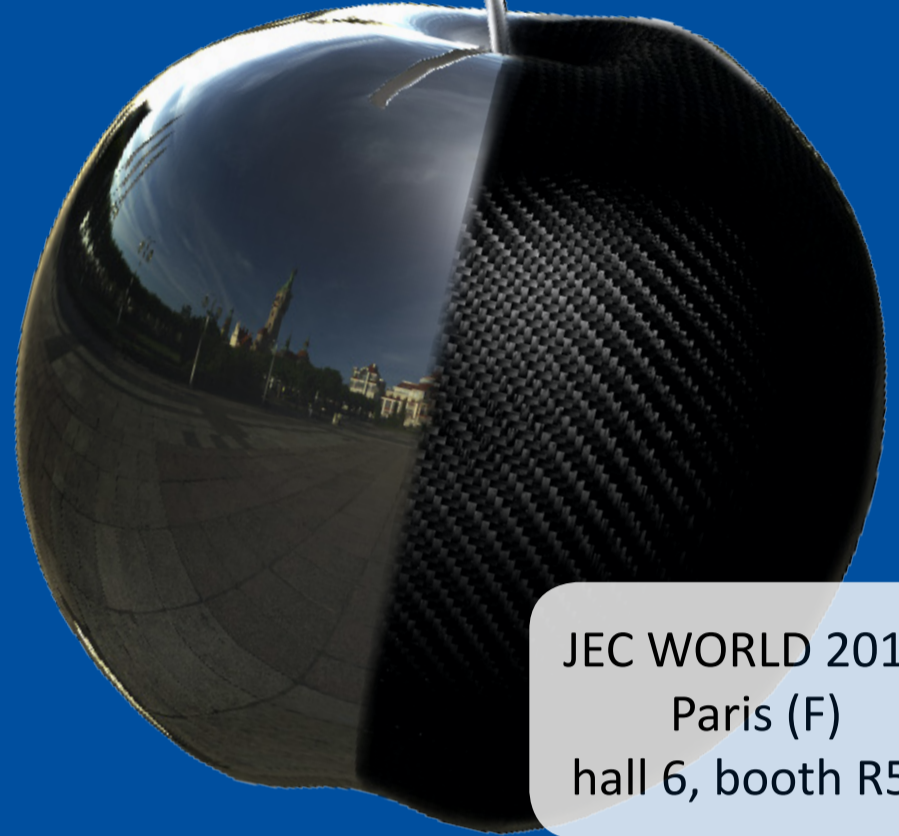

Gummiwerk KRAIBURG GmbH & Co. KG

KRAIBON[®]

Rubber Improves Composites

New possibilities
in the field of
CFRP-KRAIBON[®]-Metal
composites!

JEC WORLD 2018,
Paris (F)
hall 6, booth R51

Come and visit us at the JEC World in Paris, from 6th to 8th of March 2018, hall 6, booth R51 and find out more about the advantages and various fields of application of KRAIBON[®].

We invite you for a drink at our booth and look forward to interesting conversations.

See you soon in Paris! We look forward to meeting you!

Best regards

Your KRAIBURG-Team
